On 23 September 1952, the Panzer Kaserne in Spremberg (O 52/A 54) was occupied by about 600 soldiers wearing red-bordered black epaulets including some with tank insignia. Two groups each consisting of 60 soldiers marched in the barracks yard. The soldiers sang while they marched. Four JS tanks entered the installation. The tanks came from the direction of Weisswasser. Truck ☐ was seen going toward the installation. ☐

☐ Comment. ☐ the Panzer Kaserne was occupied to capacity as early as 15 September 1952. ☐ Weisswasser ☐ that the bulk of the 9th Meoz Div was still at the training grounds in mid-September. ☐ the troops were to leave Weisswasser on 5 October and, after about an eight-day exercise would return to their military posts. ☐ the 80th Gds Hv Tank SP Regt stationed in Spremberg returned in late September.
